

Will Miller **Social Justice** Lecture Series

He will always be remembered as a clear voice in a world of false words and disinformation.

CLIMATE WAR THE VIOLENT GEOGRAPHY OF GLOBAL WARMING

Will drought, flood, and famine eventually lead a new dark age?
Or will the crisis of climate change be met with rational and progressive economic policies?

APRIL 8, 2008 • 7pm

Free and Open to the Public
Sugar Maple Ballroom • 4th Floor, Room 400
Davis Center at UVM
(Parking at water tower off East Street)

Christian Parenti will draw on his experience as a reporter in Latin America, Africa, China and his recent experience as an unembedded reporter in Iraq and Afghanistan. He will explore these questions, combining his on the ground reporting from war zones and environmental hotspots with the deep historical knowledge of international political economy merging environmental and political debates to find useful responses to the gathering crisis.
